

Just Christmas 2016

'Just Christmas' is our opportunity to raise funds to support our corporate mission focus on people trafficking.

As we buy gifts for family and friends this Christmas, celebrating God's gift of life through Jesus, let's once again focus some of our giving on investing in projects which God is using to transform lives.

Just Christmas Gift Day

This year our Gift Sunday is December 18th. We will be raising funds to finance the fourth year of our Connected Church partnership with CHO, our corporate mission partner through Tearfund.

Bake Sales

We will be holding bake sales at church, between and after the morning services on three Sundays in December: 4th, 11th and 18th. Come prepared to enjoy lots of cake!

£4 could provide training materials for a young person to learn a new trade such as motorcycle repair or sewing, giving them the potential to earn an income.

£48 will ensure 40 children are taught about the dangers of trafficking and learn how to keep themselves safe.

£15 will provide a family with start up gardening equipment giving them a chance to grow their own food, making sure they don't go hungry.

Cambodian Hope Organisation

helping to build strong, hope-filled communities and working to prevent human trafficking through education, training, and tackling poverty.

Why not ask for a Just Christmas 'voucher' instead?

This Christmas, instead of a gift, you could ask your friends and family to make a donation to the corporate mission focus, and give you a 'voucher'!

Merry
Christmas!
